

A Big Thanks to Patricia

Thank you so much Patricia for giving me the opportunity to be a part of the English education at your beautiful school.

I truly enjoyed the experience and I hope your lovely students enjoyed it as much as I did. They behaved really well and participated a lot throughout using their excellent English. I am sure you must be very proud of all your students.

Dedicated Teachers!

Your colleagues seemed like really great teachers and really helped to maintain the childrens' attention and focus. It must be a joy to be a part of such a professional and extremely dedicated teaching team.

Australian Magic Education visits Colegio La Inmaculada

The Australian Magician 'Mago Oz' from Magic Education visited Colegio La Inmaculada today. He performed the shows:

Cultures, Recycling, Classic Stories,

He really enjoyed performing for the students and teachers in the beautiful Salón de actos. All the students learnt a lot of new things and did it in English! What intelligent students they have in Colegio La Inmaculada.

Super helpful Conserje

Please also give a very big thank you to the conserje for helping me setup and prepare for the shows. Their help was so much appreciated early in the morning. Janitors are the 'Key' to your school!

Great helpers!

The helpers that came up on stage during the show did a wonderful job and helped make the shows memorable and very funny. I especially remember little 2 year old Alvaro doing magic to tell the story of the Hungry Caterpillar.
